

Fair Usage Policy

Our Fair Usage Policy applies to Unlimited tariffs provided by Kalnet4u Ltd TA Tamar Telecommunications.

Unlimited packages are designed to provide sufficient minutes to our customers based on average use from existing customer analysis.

Our tariffs are designed for individual business users and are not to be shared between multiple end users or used in conjunction with a PBX style system or SIP gateway.

Our unlimited tariffs allow 5000 inbound minutes to your landline/mobile number (EE, Vodafone, 02 & Three) and 10,000 minutes to your VoIP app. In addition, unlimited tariffs allow up to 3000 outbound minutes to landlines, EE, Vodafone, 02 & Three.

Customers exceeding this usage will be charged at the standard pence per minute price on our basic tariff available on our website.

At all times, the decision of Kalnet4u Ltd is final.
